

MORNING APPEAL.

TUESDAY.....OCTOBER 15

A MISTAKE.

*The APPEAL believes that the ranchers made a grave mistake in rejecting the compromise offered them by the mills. They were offered very liberal terms of compromise and they refused them. It was a mistake to have listened to the advice of lawyers who would further litigation, and before the ranchers are done with the business they will find that the ranches they have labored so hard to establish will all be frittered away, and the money will go into the pockets of the attorneys, who are anxious to see these suits go on.

The Douglas county ranchers have always been looked upon as fat geese by attorneys, and after these water troubles are settled there will be very little left of them but the bones and feathers.

The amount of money which the ranchers will have to pay out for the luxury of litigation would more than build them storage reservoirs and give them a sure thing on water. Now they are in danger of losing it all.

"LATE NEWS."

The Lyon County Times has the following:

A telegram was received from Attorney General Alexander calling attention to the late decision of the Supreme Court in regard to the taxation of railroad land in the State. [As the decision had been read some days before, as published in the Enterprise, the Board voted that the telegram was an unnecessary expenditure of county money, and respectfully inform the State Board of Examiners that no more telegrams of this nature would be paid for by the county until passed on by the Hon. S. B. of E., and the advice of the State Controller obtained.—Ed.]

It looks from the above as if the Lyon County Board of County Commissioners were paying back Mr. Alexander in his own coin.

Those "Lottery Schemes."

Lyon county has beaten the State in its suit for expenses incurred in the special election last February. Poor little Nevada will have to pay roundly for the work of the lottery schemers last Winter—Independent.

The above is very misleading, and written by a man who purposefully misleads or does not know what he is talking about.

There were in the neighborhood of a dozen other amendments submitted at the same time and in the same way as the lottery amendment. The passage of some of these amendments was a great benefit to the State, and one especially, enabling the State to borrow money from the school fund for irrigation purposes, more than pays for the cost of the election in the good it will accomplish.

Nevada Cattle.

G. A. Doroughty the owner of "Victor," purchased the thoroughbred Holstein heifer "Eapercett" to take to Plumas county, California. This is the fourth thoroughbred that has been sold from the Holstein ranch and taken away from Carson City.

Carson Valley ranchers consider it the correct thing to go to California to get thoroughbred Holsteins, while the Californians come over here, and the railroad makes the freight both ways.

It seems to be a fixed principle with purchasers of anything choice to go as far away from home as possible for it. California ranchers who want good cattle can always find them in Nevada.

The girly-girly graduate gets in his work on the Virginia (Nev.) Enterprise thus: "As the sun threw its struggling beams athwart our hazy atmosphere last evening, in kissing Mount Davidson good night, a few straggling rays revealed to Virginia's inhabitants that the Como range would sleep with a snow cap last night." TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking man ever saw. He took the first premium for 3-year-old Stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$30 for the season \$60 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 23 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 23 1/2; Bonito, dam by St. Clair, 2 year old record 2 23 1/2, 3 year old record 2 18 1/2; Manzanita dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$30 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.

ADDRESS,

JOHN P. SWEENEY, Prop'r,

CARSON CITY, NEV.
